Physicians Health Center + Lyft Healthcare

Step-by-Step Instructions for Requesting a Lyft

1. Call the closest Physicians Health Center location to request a Lyft ride for your injured employee.
2. Hit "0" to speak with a front desk representative
3. Advise the PHC representative you need Lyft transportation for an injured employee.
4. Provide PHC with the following information for your injured employee:
 - Employee's First Name
 - The Driver will see the employee's first name only*
 - Employee's Last Name
 - Employees Cell Phone # (Or Supervisor, if employee does not have one)
 - Passenger/Driver do not see each other's personal numbers*
 - The Lyft Driver may call this phone # to determine exact pickup location*
 - Pickup Location - (Complete Physical Address)
 - Name of Your Company
5. A Lyft driver will be dispatched to your location to pick up your injured employee.
6. Employee will be driven back to your workplace after medical care is provided.
